The PSAT/NMSQT is set for Wednesday, October 11. Sophomores will take the test during regular school hours. Juniors who choose to take the test to qualify for National Merit Scholarship awards must sign up in the Career Center, 6-204.

Fee for juniors is \$17. Deadline for sign-up is Sept. 29

Community Service, Leadership Offerings Abound

Sarasota has myriad opportunities to reach out and help the community. If animals are a passion, Cat Depot, the Humane Society and Honor Animal Rescue offer many volunteer options. Tutoring positions are available in a variety of programs ranging from Girls, Inc. to right here at Riverview. Boys and Girls Clubs offer the Perlman Price Young Entrepreneurs Program as well as the STAR Leadership program. Finally, the Sarasota County School Board website lists many programs that offer community service hours. To find the programs, go to the student portal and click on the High School Community Service link. Hours must be completed after promotion to Grade 9 and before high school graduation. For extra help, see **Joe Landes** in the guidance hallway on Fridays.

"You make a living by what you get. You make a life by what you give."

Winston Churchill
