## On the Road to Success

We've only just begun and are already showing signs of success! Prior to the start of the school year we hosted a "Write Your Future" interactive workshop at which RHS seniors learned to create academic resumes and develop their college essays by experimenting with different organizational approaches and using narrative and reflective writing skills. The students who attended had positive feedback, and we look forward to offering more writing workshops in the future. Now that the school year has started, students have been stopping into the Student Success Center to register for the SAT/ACT, research colleges, review their college essays, and complete career exploration activities in Naviance. Please encourage your students to come by and check out all the resources being offered.

## College Visits

College visits to RHS will begin the first week of September. College representatives will be visiting during regular school hours and visits\* will take place in the (SSC 6-204). Visits for high-demand schools may be moved to larger locations to accommodate more students. A complete list of rep visits can be found on Naviance and will be updated each week. Students are encouraged to get into the habit of checking Naviance and arranging to secure a pass to visit with these reps. Registering for a college visit in Naviance takes three easy steps:

1. Log into Naviance (N# and Pin)
2. Navigate to Colleges > Research Colleges > College Visits
3. Click the Register Now button

\*Visits are limited to juniors and seniors.
