## Overview

### Equipping Students with More Tools to Find Best-Fit Colleges

The SuperMatch college search tool within Naviance makes it even easier for students to explore their options and discover colleges that are a match with their academic profile and a fit with what they're looking for in a college experience.

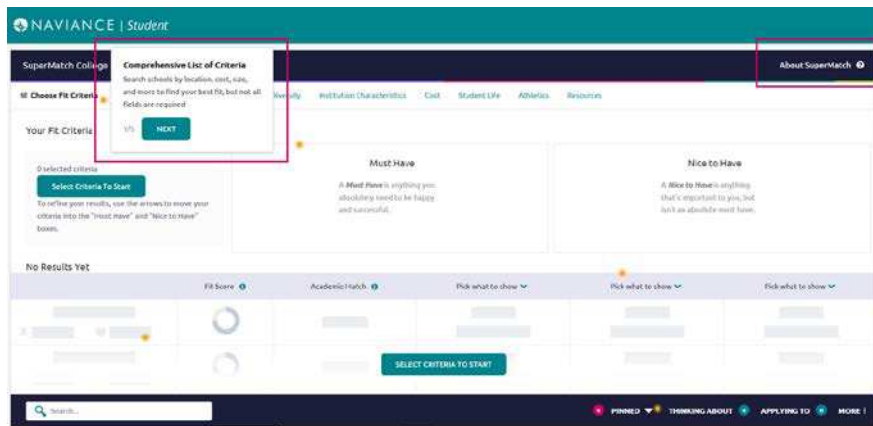

## Using SuperMatch

SuperMatch can be found by navigating to **Colleges Home > Find Your Fit**.

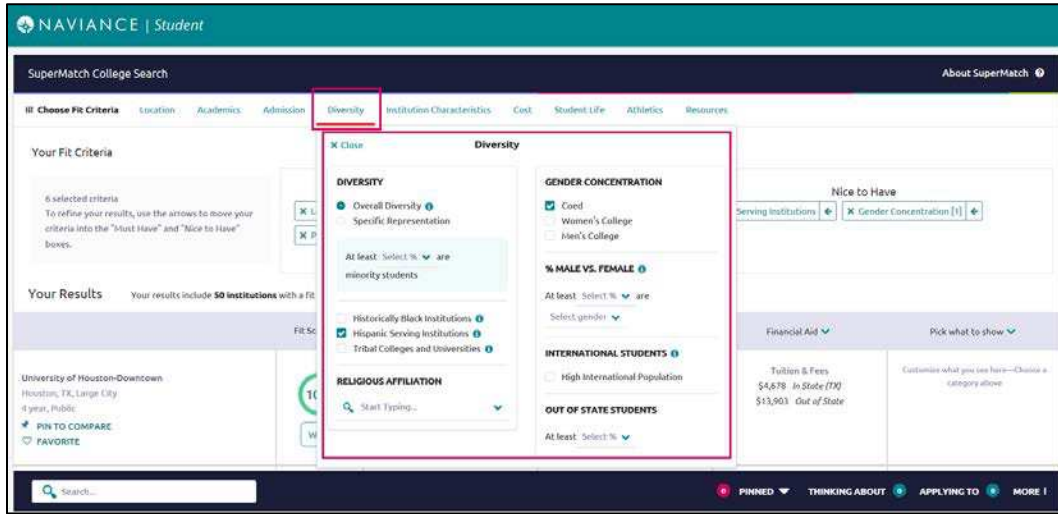

## Quick Tips

When you first log in to SuperMatch, you will be guided through a series of quick tips to help you navigate the search tool and understand the key features. Also, clicking on the **About SuperMatch** link in the top right corner of the page will relaunch the quick tips should you get stuck and need assistance.

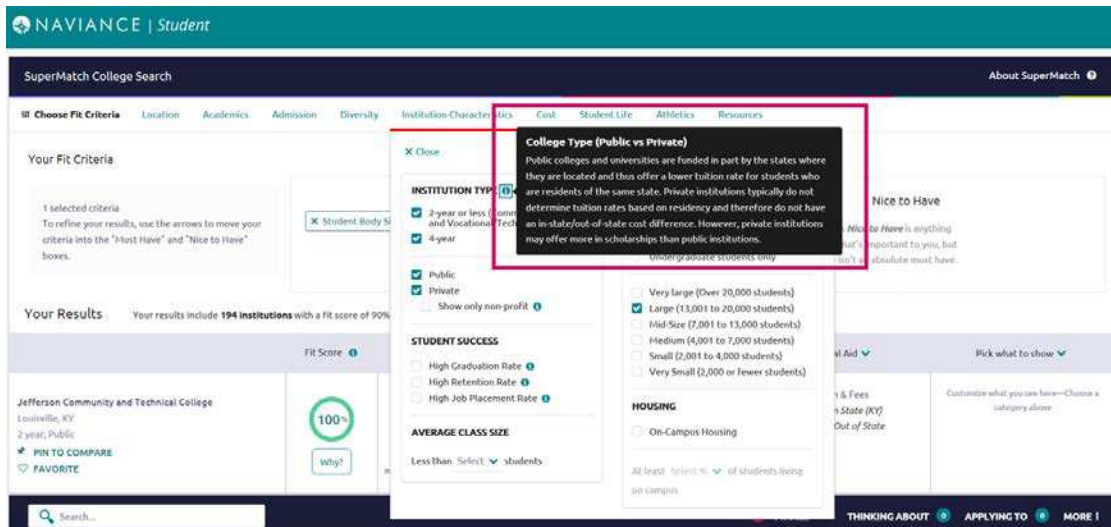

## Selecting Fit Criteria

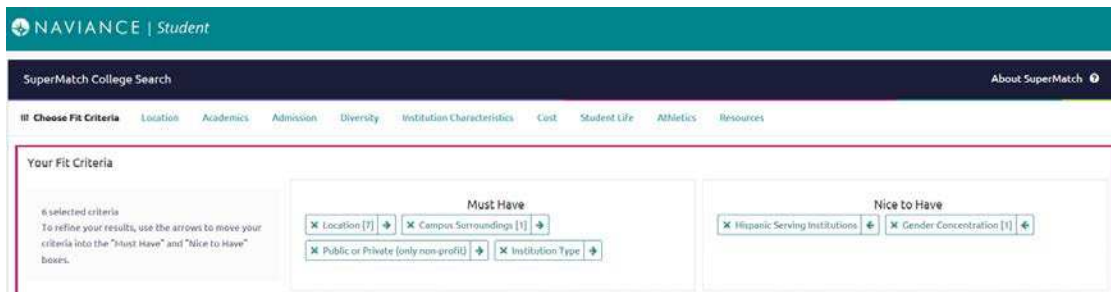

1. Use the **Choose Fit Criteria** navigation menu at the top to select criteria based on what you are looking for in your college experience. You do not need to select something under every category; only select the criteria which are most important to you.

2. Click on the **Tool Tips** icon  throughout the search tool to read definitions for common concepts and terminology.

3. As fit criteria are selected, they populate in the **Must Have** box. You can also move criteria between the **Must Have** and **Nice to Have** boxes depending on level of importance to you. Moving your criteria between these two categories of importance will refine your college search results below.

## Search Results

Institutions with the highest **Fit Score** will always appear at the top of your list. To see your **Fit Score Breakdown** based on the criteria you selected, click on the green **Why?** box located under the **Fit Score** percentage.
