Principal Update - Erin Del Castillo

Senior exam start Thursday May 13, senior last day Wednesday May 18. AP and state testing are now through last day of school.

After last day the construction will begin on the construction lab. Alex Lichter has come on board as construction teacher and will become a part of CP in the future.

At graduation on May 21, ROTC will be selling water and Mr. Smith will be selling flowers. Graduation practice is May 20 from 3-5 at Robarts Arena. There may be one extra ticket per student available at practice. RHS foundation packages still available.

Last day of school for 11-9 is May 27.

IB Coordinator Update/Plans - Dr. Minor

Will have proctored 2300 IB exams.

Thank you to IBPO for buying fans as off site testing site lost AC.

Looking forward to banquet and students have elected teacher speaker for DP banquet.

Getting request to the last mile fund for E2 students for the last items they need for university.

Professional development will be on campus most of the summer for teachers.

Summer day intensives with New College for seniors. Trying to establish connection with New College.

Mr. Wasserman is working with University of Bahamas, New College to get a 2023 summer marine science trip to the Bahamas.

IBCP Coordinator Update - Dr. Earl

Rounding out the year, ready for banquet.

Dr. Earl is taking on a new position, program manager for College, Career, Life Readiness, she will be housed at STC. Jessica Bies and Alex Catena are in the transition to take over her duties. All high school will have a student success center for college and career exploration. All 8th graders to have experiential learning and career exploration as part of this program.
