■ Applicant Pool

- *To date, we have received more than 65,000 total applications, an increase of over 20% from this time last year, and more than double the total number of applications we received in 2016. We will be releasing nearly 53,000 decisions tonight.*

As in the past, the great majority of applicants showed the potential for success at UF, and many more were recommended for admission than we have space to admit. We made some very difficult decisions and realize there will be both excitement and disappointment when students view decisions.

- *Admissions offers are being made to just under 15,000 students to start on campus in the Summer B or Fall term. Admitted students had the following middle 50% ranges:*
 - GPA: 4.5 – 4.7 (weighted recalculation)
 - SAT: 1360 – 1500
 - ACT: 30 – 34

Beyond this GPA calculation, UF evaluates:

- The strength of the curriculum the student has taken based on the offerings available to the student as well as how the student has progressed academically over time.
 - SAT, ACT or Classic Learning Test (CLT) scores.
 - Extracurricular Activities: Consistent involvement throughout high school that demonstrates a student's interests and passions, as well as how applicants contributed to their school, community and/or family.
 - The quality of thought in the admission essay.
 - Personal Background and Experiences: We search for students who show the potential and desire to succeed in a rigorous academic environment. They will be UF's future community of learners, leaders and thinkers.
 - No one single factor determines an admissions decision.

And now....tips for parents

Do:

- Listen with an open mind;
- Accept the role change from your child shifting from dependence to independence;
- Be involved and interested in the college selection process;
- Be realistic about your expectations;
- Be patient about your child's follow-through with the myriad tasks surrounding college admissions
- Be in tune to your child's emotions. There may be a message behind the procrastination
- Use the Riverview IB team as a resource! We are invested in your children.
- Have a sense of humor – brace yourself for some weird moments

Don't:

- **Live vicariously through your son or daughter. Let them follow their dreams, their path to their destiny;**
- **Indulge in “cocktail party college talk” – making college selection decisions for your child based on the basis of others’ positive or negative experiences;**
- **Assume responsibility for aspect of the college search and admissions process that are the responsibility of your child;**
- **Expect your child to follow the family alumni track. It may not be a realistic option based on the ever-changing college market.**

Please help us by not accepting or excusing school absences, tardies and acting out. There is a strong correlation between junior/senior year performance and college performance. The trend of performance matters!
