

RHS IB BM Senior Supply List

THESE SUPPLIES ARE NEEDED EVERYDAY – ALWAYS HAVE THEM IN CLASS

- Bring a clean/new composition notebook and a writing utensil to the first day of school.
- All supplies must be available in class/your bag everyday throughout the year.
- Your name must be written on everything with a permanent marker (i.e. *Sharpie*).
- Please put all listed supplies on your desk before the bell rings everyday.

Beginning with the first week of school, you will need...

1. FOUR COMPOSITION NOTEBOOKS (Not spiral, not a binder). Label all of them with your full name and “Business Management” on the cover. Tape/staple the notebook instruction sheet to the inside cover on each one and get all 4 checked on the grading day in each quarter. Only have the one you are writing in on your desk each day. You only need to show all 4 notebooks on supply check days (that’s the first Resource Bank Day every quarter).
2. BLACK PEN, A PENCIL, A COLOR PEN (not blue or gray), A HIGHLIGHTER (no markers) AND A SHARPIE (any color or width).
3. A POCKET FOLDER labeled with your name and “Business Management” on the cover. You must keep all Business Management handouts (fact sheet packet, work plan, parent signatures, notebook instructions, case study instructions, etc.) in here throughout the course. Keep it in good condition and rewrite your name on it when it fades.
4. EAR BUDS (HEADPHONES) labeled with your full name (must be on desk every day). If you don’t want to write on them, poke the cable through a scrap piece of paper with your full name- if it falls off you lose points for your supply grade.
5. GRADEBOOK USERNAME & PASSWORD You must be able to open your online grade book page on your classroom computer. The grade book password allows you to check the online grade book to monitor your academic progress every week. You are REQUIRED to monitor grades weekly and report any errors immediately.
6. BUSINESSWITHBOGARD.THINKIFIC.COM USERNAME & PASSWORD (do not use your RHS Nnumber email- use a gmail account). Write them inside your Fact Sheet packet.
7. PARENT-SIGNED FACT SHEET PACKET Keep it in your BM pocket folder. It’s worth a grade on the supply check day (first Resource Bank day on your work plan). The parent signature must accompany the complete supply check in order to earn any grade for either.

CLASS RULES

- Please place food and beverages inside your school bag (open the zipper and place on top) or a lunch bag. Do not bring open containers or leaking bottle lids into the classroom.
- Place your cell phone inside your bag. When it falls on the floor it disrupts class (-TOT).
- Wait to ask permission to use the bathroom until pack-up time (unless it’s an immediate emergency). The slamming of the door throughout the entire class period is disruptive.
- Please save chatting for our pack-up time. It disrupts your classmates’ learning.
