PRESIDENT'S REPORT—Alison Dietz

- Social media/What's App: Not approved communication form via the school district. No control or moderator. This results in security issues placing student body and families at potential harm.
- Corporate Sponsors and Banners: Reviewing vendors and costs. Foundation approved to sell as part of sponsor package and split proceeds with IBPO.
- Membership/Phone Calls: Discussed possible call drive to increase program support.
- Addressed issue with sponsor and member emails. The email used to register the student is the one used irrespective of the email used to sign up for IBPO.
- Constant contact cost \$ 700.00 for email use. Discussed other cost-effective options. Will switch in March to use the Smor platform or Flow desk
- Emails not working were discussed and AP with filter an email list to help
- IBPO information from newsletter is on the IBPO website and updated and a mirror of the newsletter for anyone in IB parent body or anyone at Riverview or the public to view. Website posts all minutes of meetings, all the programs and schedules
