Hello Families,

Welcome to IB Information Night! Our IB Team would like to share information that is not part of the presentation you will see tonight. The registration/enrollment process can be confusing so we would like to clarify the process. Please see below:

**IB Application:**

Our application will be open January 9, 2026, sometime late afternoon/early evening. You can access this on our IB Website at: <https://riverviewib.com>. This application is for the 2026-2027 school year. Our online application process is date stamped (with time and date), so applications will be reviewed by our IB admissions committee in sequential date and time order. If the applicant meets the requirements (see back page), the applicant will receive an acceptance email. Please save the acceptance email. We accept about 225 incoming 9<sup>th</sup> graders into the program each school year, so we suggest completing the application within 48 hours from the open date.

Also, please note the following information:

- Completing the IB Application **is not the same as enrollment for Riverview High School.** If you are accepted into the IB Program, you will still need to go through the district enrollment process.
- Applying for the choice application will not get you in the IB Program. If you are accepted into the program, **please do not complete the choice application.**
- Enrollment for the 2026-2027 school year will not be open until sometime April 2026. We would like to request that you **do not call our school registrars at this time.** If you are accepted in the program, we will send emails out regarding next steps to include enrollment information. Make sure the parent and student email you complete on the IB application are correct as this will be our primary communication tool.

Thank you for your interest into the IB Program; we look forward to working with you and your child.

Sincerely,

The IB Team  
Riverview High School

**Admission Information  
Riverview High School  
Pre-IB 9<sup>th</sup> Grade Entrance Criteria**

**I. Requirements:**

- Completion of application
- Successful completion of Algebra 1 in 8<sup>th</sup> grade
- Students will be required to take a Math Placement Test (Dates TBD)
- Final Grades of A or B for English, Math, Science and Social Studies in 7<sup>th</sup> and 8<sup>th</sup> Grade. (All Accepted Applicant's Final Grades will be reviewed at end of the school year prior to 9<sup>th</sup> grade. If Grade drops below a B, applicant's acceptance will be rescinded)

**II. Recommended:**

- Passing score of 4 or higher on Grade 7 National Achievement Test (or comparable standardized test)

**III. Favorable Consideration:**

- Completion of Level One World Language is not mandatory but is looked upon favorably. (Students may choose from either Spanish or German)

**IV. Additional Information:**

- Our IB Review committee reviews all of the admissions applications.
- The Application cannot be saved so you will not be able to start then stop to complete at a later time.
