# Community & Corporate Sponsors

INVESTING IN EXCELLENCE.  
EMPOWERING FUTURES.

The International Baccalaureate (IB) Programme is a globally recognized, academically rigorous curriculum that prepares students to become thoughtful leaders, critical thinkers, and engaged citizens. At Riverview High School, IB students are challenged to excel in the classroom while developing the skills and character to make a meaningful impact in their communities and beyond.

By becoming a Riverview IB Corporate Sponsor, your business demonstrates its commitment to educational excellence while supporting student enrichment, teacher appreciation, academic programming, and memorable experiences throughout the school year. In return, your business receives meaningful recognition among one of Sarasota County's most engaged school communities.
